<p>Whole School Curriculum Intent Statement</p>	<p>The MFG's seven-year curriculum:</p> <ul style="list-style-type: none"> - is constructed around RITA values to enhance character and cultural capital. - is coherently sequenced to build knowledge and skills for future learning and employment. - is challenging and inclusive to meet the personal development needs of all students. - explicitly teaches vocabulary, oracy, and reading to ensure lifelong learners.
<p>Subject Curriculum Intent Statement</p>	<p>Art, craft and design embody some of the highest forms of human creativity. Art & Design at the MFG offers a spiralling 7-year curriculum which is inclusive and challenging for all students. Through coherent and timely planning, students acquire skills and understanding, building on knowledge to prepare them for future learning and employment.</p> <p>Aided by expert coaching, the curriculum embraces the school values; it supports, engages and inspires students to experiment, invent and create their own works of art craft and design.</p> <p>As students' progress, they should be able to think critically and develop a more rigorous understanding of art and design. They should also know how art and design both reflect and shape our history, and contribute to the culture, creativity and wealth of our nation.</p>
<p>Subject Curriculum Quote</p>	<p>Art is not what you see, but what you make others see. - Edgar Degas</p>
