Curriculum Intent Statement

DRAMA

<p>Whole School Curriculum Intent Statement</p>	<p>The MFG's seven-year curriculum:</p> <ul style="list-style-type: none"> - is constructed around RITA values to enhance character and cultural capital. - is coherently sequenced to build knowledge and skills for future learning and employment. - is challenging and inclusive to meet the personal development needs of all students. - explicitly teaches vocabulary, oracy, and reading to ensure lifelong learners.
<p>Subject Curriculum Intent Statement</p>	<p>In Drama, our intent focuses on developing students' knowledge and understanding of theatre through our coherently sequenced curriculum, in a safe, inclusive and respectful environment.</p> <p>Vitally, however, Drama equips students with the life skills they will need to build character and achieve their potential beyond the classroom. Skills which will assist them in every aspect of their lives, from building confidence and the ability to work with others to oracy and creative problem solving. Drama skills should be seen as influential in developing well-rounded individuals within the community and society.</p>
<p>Subject Curriculum Quote</p>	<p><i>"We must all do theatre, to find out who we are, and to discover who we could become"</i></p> <p>Augusto Boal</p>
